Jim Ruggiero Named to Board of PLAN of PA

(Paoli, PA) – Jim Ruggiero of Paoli's Ruggiero Law Offices, LLC has been appointed as a member of the Board of Directors of the Planned Lifetime Assistance Network of Pennsylvania (PLAN of PA).

PLAN of PA is a private non-profit organization dedicated to serving adults 18 years of age and older with mental disabilities – including mental illness, mental retardation, brain injury, and autism – in the five county Philadelphia region. Founded as a grass roots care model by family members of those with disabilities, the organization provides Case Management, Trust and Representative Payee services and long-term support for such individuals to ensure their continued financial care, independence and quality of life is maintained when families cannot manage alone or fully assume the caretaker role.

Jim Ruggiero founded the Ruggiero Law Offices in 1990 to offer personalized guidance to individuals to protect their life's work and utilize resources available to remain independent and enjoy their golden years. His practice includes work in Estate Planning, Wills, Probate, Elder Law, Asset Protection and Guardianship as well as Business, Corporate and Real Estate Law and Civil Litigation.

Ruggiero is a graduate of Ursinus College and Widener University Law School and is licensed to practice in Pennsylvania and the U.S. District Court of Eastern Pennsylvania.
